It's time to go to the music room	Daut es Tiet no de Musikjstow to gonen

Notes:

Low German nouns are generally capitalized. Colours are descriptive, therefore not capitalized.

Pl = plural

s = singular

* PD might say “Laj daut bie diene Sachen han” (put it with your things). We don’t have the word school locker as such. Use the English word locker but never ‘locka’. Locka = loose, as in not firmly packed.
